## Annual Governance Statement

We acknowledge as the members of the Council/Board/Committee, our responsibility for ensuring that there is a sound system of internal control, including the preparation of the accounting statements. We confirm, to the best of our knowledge and belief, with respect to the accounting statements for the year ended 31 March 2023, that:

1. We have put in place arrangements for:

- effective financial management during the year; and
- the preparation and approval of the accounting statements.

2. We have maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption, and reviewed its effectiveness.
3. We have taken all reasonable steps to assure ourselves that there are no matters of actual or potential noncompliance with laws, regulations and codes of practice that could have a significant financial effect on the ability of the Council/Board/ Committee to conduct its business or on its finances.
4. We have provided proper opportunity for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit (Wales) Regulations 2014.
5. We have carried out an assessment of the risks facing the Counci/Board/Committee and taken appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.
6. We have maintained an adequate and effective system of internal audit of the accounting records and control systems throughout the year and have received a report from the internal auditor.
7. We have considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on the Council/Board/Committee and, where appropriate, have included them on the accounting statements.
8. We have taken appropriate action on all matters raised in previous reports from internal and external audit.
