

## Llangammarch Community Council

### Complaints Handling Procedure

#### Introduction

From time-to-time members of the public may have complaints about the administration, procedures or conduct of Councillors or of the staff of Llangammarch Community Council.

Local councils are subject to the jurisdiction of the Public Services Ombudsman, however a local solution should be sought before making such an approach and this policy sets out the way this is to be done.

Complaints against the Clerk are to be dealt with via the Chairman or Disciplinary Committee via employment legislation **(Please refer to Disciplinary & Grievance Policies.)**

Complaints by a Councillor towards another Councillor shall be included in the Complaints procedure.

Complaints may also be submitted to the Public Services Ombudsman, where, there is perceived to be a breach of the Council's Code of Conduct for members – which equates to the Model Code of Conduct Order 2001 re the Local Government Act 2000 Part III, particularly the sections dealing with Prejudicial Interest.

Other than that, it is recommended for transparency in local government and for the benefit of good local administration that councils should adopt a standard formal procedure for considering complaints: either made by complainants directly or referred back to the council from other bodies to whom they have been made.

The Code of Practice set out below is based on a recommended model, as a way of ensuring that complainants can feel satisfied that at the very least their complaint has been properly and fully considered.

Councils have been urged to do their utmost to settle complaints and satisfy complainants in the interest of the good reputation of the council. The Council should try and resolve any complaint at local level.

The Clerk will make available the complaint (which must be given in writing) to the Chairman and/or Vice Chairman and inform any members affected.

Llangammarch Community Council will bear in mind the provisions of the Data Protection Act 2018 as well as the Freedom of Information Act 2000 in dealing with complaints.
